PERMANENT COURT TIME APPLICATION

August 17, 2009 - May 2, 2010

Deadline: August 10, 2009

PCT Information:

Permanent Court Time (PCT) is a group reservation for the same day and same time each week on an indoor court. The application form and payment must be turned in to Tennis Memphis by the **August 10, 2009** deadline to secure the requested time slots. Renewing groups from the 2008-2009 Fall/Winter session have first priority for their same time slots. Any remaining time slots will be filled on a first come, first serve basis. Applications received after the deadline are subject to availability, even for renewals. **Incomplete applications will not be accepted.** Multiple PCT reservations require separate applications and payments.

- **Each regular player in the group (including groups with more than 4 people) is required to have a valid Player Card for the duration of the PCT session.** A regular player is one that shares the cost of the court and is expected to play with the group on a regular basis. A substitute player is one that fills in for a regular player on an occasional basis and (typically) has not contributed to the cost of the court. Player Card applications are available at all 7 public tennis centers and on the Tennis Memphis web-site www.tennismemphis.org. **Substitute players are not required to have Player Cards.**
- **One person will serve as the PCT Captain.** That person is responsible for completing and signing the PCT group reservation application and submitting payment for the group. The PCT Captain is the group representative and **all communication between the tennis office and the group will be through the captain.** The captain is responsible for communicating PCT information, guidelines and procedures to their group.
- **Payment in cash or with ONE check or credit card number must be included with the application.** Tennis Memphis will not be responsible for collecting payment from Individual players.
- Please make checks payable to: Tennis Memphis.
- PCT reservations for less than the entire session will be prorated.
- Any tennis center, at its discretion, may cancel scheduled PCT for inclement weather, maintenance, special events and tournaments. If this happens, court time will be added at the end of the session or a refund will be given. (There are no other refunds).
- PCT reservations are non-transferable.
- **PCT reservations may be revoked for violation of PCT rules or tennis center policies.**
- **PCT applications will not be processed until all requirements are fulfilled.**
